

2018 FURUNO OFFSHORE CLASSIC

Hosted by Gordon's Bay Boat and Angling Club

All interested anglers and teams...

It is almost the end of the year and we are proud to announce that most of the arrangements with regards to the 2018 Furuno Offshore Classic are already in place at this stage.

As committee we would like to already thank many of our past sponsors that have returned and welcome our new sponsors who will form part of our club's flagship, bonanza tournament.

As Committee we will do our best to keep the entrance fees similar to previous years.

We wish to include breakfasts and dinners on all fishing days for participants as well as official competition apparel and goodie bags.

We would also like to enter each boat into a daily lucky draw to form part of the daily prize giving.

We believe this will add to the comradery, obviously the lucky teams have to be present otherwise they will forfeit the prize

During the competition we will introduce our individual sponsors and give them an opportunity to introduce their products. We also invite sponsors to form part of each daily prize giving as well as promote their products during the event.

We ask all interested in the event to spread the word in order for us to be able to add to the already magnificent prizes and daily draws available.

Guys, if you own your own business, employed, or looking to enter the market, contact our team and let's introduce your product during this bonanza event. To those individuals unable to sponsor, please support our sponsors during the 2018 Furuno Offshore Classic, without them, this epic bonanza will not be possible.

Our dates have been made available, invitations within top fishing magazines have been placed and published and we are finalizing our official posters to publish throughout various social media streams, Boat and Angling Clubs and the media.

We look forward to additional sponsors and will make entrees, rules and registration forms available soonest

Warm Regards
Offshore Committee 2018
